

2 NINETY-EIGHTH LEGISLATURE
3 SECOND SESSION
4 LEGISLATIVE RESOLUTION 364

5 Introduced by Raikes, 25

6 PURPOSE: (1) To examine the creation of an Education Facilities
7 Review Commission for public educational facilities that are
8 primarily financed with property taxes and to investigate the
9 fiscal impact of changing provisions relating to levy limitations
10 to accommodate additional taxing authority restricted for building
11 funds and the fiscal impact of providing a factor in the Nebraska's
12 state aid to education formula for K-12 public school districts
13 that would assist those districts in reducing the property tax
14 burden of their bonded indebtedness.

15 (2) In addition, the study should also review the
16 realities of the current levy limitations to determine if the
17 community colleges are able to adequately repair and maintain
18 existing facilities and provide for construction of new facilities
19 to accommodate the significant enrollment growth of the past
20 several years.

21 NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE
22 NINETY-EIGHTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

23 1. That the Education Committee of the Legislature shall
24 be designated to conduct an interim study to carry out the purposes
25 of this resolution.

26 2. That the committee shall upon the conclusion of its
